Personal Bio

JAMIE HARDT (he/him) is a Los Angeles-based sound designer and re-recording mixer with over twenty years of experience on films and episodic content, most recently mixing **Monsters: Lyle And Erik Menendez** for Netflix, and the upcoming **Say Nothing** limited series for FX Networks. Jamie has supervised and mixed over a dozen feature films including **Insidious: The Last Key**, **Truth or Dare** and **Fantasy Island**, and has worked as a sound effects editor on dozens of feature films, including **Spider-Man: No Way Home**, **The Hurt Locker**, **2012**, **Zero Dark Thirty** and **Fury**. In addition to features and television, Jamie has designed the soundscapes for dozens of music videos, from artists including **Usher**, **Kid Cudi**, **Dua Lipa** and **Tyla**; has sound designed national advertising campaigns for clients including **Wal-Mart**, **Square** and the **National Guard**; and still finds time to do what he loves, working with new filmmakers on short films and independent features.
